Mutual Non-Disclosure Agreement

Template written in plain language. It is not legal advice and has not been reviewed by a lawyer. Each side should have its own counsel read it before signing. A short agreement like this is often adapted by a lawyer to local law.

Date: **[[DATE]]**

Between **[[LEGAL ENTITY NAME OF KALDRIX / ZENTRIX]]**, registered in **[[PLACE OF REGISTRATION]]** ("Kaldrix"), and **[[OTHER PARTY]]**, registered in **[[PLACE]]** ("the Other Party"). Each is a "Discloser" for what it shares and a "Recipient" for what it receives.

1. Purpose

The sides want to share confidential information to evaluate and carry out **[[PURPOSE, FOR EXAMPLE A DESIGN-PARTNER TRIAL]]** ("the Purpose").

2. Confidential information

Anything not public that the Discloser shares, in any form, including source code, designs, security reports, keys, workflows, data, prices and business plans, whether or not marked confidential.

3. The Recipient will

- Use the information only for the Purpose.
- Keep it confidential with at least the care it gives its own, and not less than reasonable care.
- Share it only with people who need it for the Purpose and are bound to confidentiality.
- Not copy, reverse engineer or publish source code or security reports.
- Tell the Discloser promptly if it learns of any leak.

4. What is not covered

Information that is or becomes public without the Recipient's fault, was already known to the Recipient, is independently developed, or is received lawfully from someone else.

5. Required by law

The Recipient may disclose what a law, court or regulator requires, after telling the Discloser first where it is lawful to do so.

6. Return or deletion

On written request, the Recipient will return or delete the information and confirm it in writing.

7. No other rights

Nothing here gives the Recipient any licence or ownership. All information stays with the Discloser. No obligation to make any deal is created.

8. Term

The obligations last for **[[3]]** years from the date above. Source code and keys stay confidential for as long as they stay non-public.

9. Law and disputes

This agreement is governed by the law of **[[JURISDICTION]]**. The sides will try to settle disputes by talking first, then in the courts of **[[PLACE]]**.
